MARGOT AND HER FAMILY
A FEW YEARS BACK.

MOMMY, AM I PRETTY? MARGOT, MADISON & BROOKE DENOMME

Margot Denomme wrote *Mommy, am I pretty?* out of a concern for the pressures facing today's youth - bullying, and (for girls in particular) body image pressures parlayed by media. Her book, illustrated by her own girls, shows that true beauty comes from giving back to others and being your best self, qualities that Margot points out cannot be photoshopped. She hopes the book invites dialogue around these issues. Pick yours up at ellaminnow (1915 Queen St. E.) or Kids at Home (2130-A Queen St. E.)
